

Hop on The Right Track

HealthConnexion is Farrer Park Hospital's health screening and preventive centre. It offers comprehensive health screening packages as well as customized comprehensive solutions for individuals, corporate companies and the medical tourist. Stepping through the doors into the chic, modern interior, one finds spacious high ceilings and a beautiful outdoor zen garden with spectacular views of the cityscape. HealthConnexion clients can soak in the calming ambience of the garden while enjoying healthy refreshments served after the health screenings are done. Reviews by our doctors are done within a week after the health screening and clients will be provided both a beautifully bound full medical report and a thumb drive of the same report.

A photograph of a family of four (two adults and two children) standing on a beach at sunset. The scene is silhouetted against a bright orange and yellow sky. The family is positioned in the lower center of the frame, with their reflections visible in the shallow water on the sand. The overall mood is peaceful and healthy.

HealthTrack Regular provides the essentials of physical examination and laboratory investigations, and offers good value to enter a program of lifelong health awareness.

Lung Function Test
Retinal Photography

PRE-SCREENING GUIDELINES

THINGS TO BRING

- Identification card / passport (for registration).
- Past mammogram / ultrasound reports.

PREPARATIONS

- Please fast for at least 10 hours before your scheduled appointment. Plain water is allowed during the fasting period. Light refreshments will be provided after your blood specimens are taken.
- Please do not take your diabetic medication on the morning of the scheduled appointment. You may consume it after the screening tests are completed. Regular high blood pressure and heart medication can be taken as per usual.
- If you require spectacles, please bring them along for your vision tests. Kindly avoid wearing contact lenses on the day of your appointment.
- Eyedrops may be used to dilate your pupils if Retinal Photography is included. Following Retinal Photography, please refrain from driving on the day of your appointment as dilation of the pupils can cause temporary blurring of vision for up to a few hours.
- You may bring your running shoes and sports attire to change for your Treadmill Stress ECG.
- The urine and stool specimen bottles will be provided on the day of the screening.
- For ladies, please schedule your appointment 5 days after your last day of menstruation.

TERMS AND CONDITIONS

- Medical advice and recommendations will be delivered based on the individual's case findings, clinical investigations, medical history and personal profile. In adherence with the health screening guidelines from the Singapore Academy of Medicine, additional tests may be prescribed based on clinical judgment of the doctors upon screening.
- Prior booking of appointment is required and is subject to availability.
- Any changes to the date / time of appointment should be made at least 2 working days in advance.
- All items included in the health screening packages are strictly non-transferable to another party, non-exchangeable, non-refundable and not redeemable for cash. Any item not used in the package shall be forfeited.
- HealthConnexion Pte Ltd reserves the right, at its sole and absolute discretion, to amend any of these Terms and Conditions from time to time without prior notice.
- HealthConnexion Pte Ltd reserves the right to make changes to the package prices in its sole and absolute discretion without prior notice.

OPERATION HOURS

Mondays to Fridays	Saturdays & Eve of Public Holidays	Sundays & Public Holidays
8.30am to 5.30pm	8.30am to 12.30pm	Closed
